VOL. 1 EDITION 3

JULY 2016

GREETINGS

Thank you for taking time to read the July edition of The DB Messenger. Staying true to our mission, the Diverse Business Supportive Services Center is passionate about assisting DBs in maximizing their potential and assisting them in growing their business.

This summer, our primary goal is to expose as many potential and certified DBs to the possibilities of working with PennDOT, so we are hitting the roadways and coming to you!

In the next few months, we plan to partner with PTAC offices and various Chambers of Commerce to help get the word out about our center and introduce small diverse businesses to the opportunity to work with the Pennsylvania Department of Transportation (PennDOT).

Our workshop, "Doing Business with PennDOT", will give diverse businesses a step-by-step guide on how to become a registered partner with PennDOT and how to bid on 100% state-funded contracts.

If you are interested in either partnering or attending a workshop, would like personal assistance with ECMS, or would simply like more information on the Diverse Business Supportive Services Center, do not hesitate to contact us.

Sincerely,
Kenyon Holley, Director
DB SSC

DB FACTS

A Diverse business is a business that is at least 51% owned by one or more of the following entities: women, minorities, veterans & disabled veterans.

The benefits of becoming a certified DB include increased business visibility, maximized potential for contracting opportunities, and partnering opportunities with other DB firms on PennDOT projects.

DB SSC offers FREE services including onsite assistance, networking events, ECMS training, business partner registration assistance and notification of contracting opportunities.

UPCOMING EVENTS

There are currently no upcoming events for the month of July.
